

**AUGUST 2008**

## Pirate FM Garden Party & Steam Engine Rally

As you will know, not a good month for events and both of the above had to be cancelled because of the poor weather! Thank you though to those cadets who had volunteered to help.

## Caeil's Trophy - 19-21 September

Please note the revised date for this event as above. The Squadron will be submitting a team of up to 20 cadets **so please keep this weekend free and turn up for practice on cadet nights.**

This weekend takes place at Okehampton and teams will arrive on the Friday evening. The weekend consists of a flying model competition, aircraft recognition, leadership exercises, map reading and navigation exercises, an observation test, quiz and last, but not least, a drill competition.
