WORK EXPERIENCE PROGRAMME 2010

HQ Air Cadets is arranging an increasing number of Work Experience Courses. The courses are primarily aimed at air cadets considering a career in the RAF and provide an ideal opportunity to gain an insight into the roles and life style of serving personnel and what a potential career may entail. If you require further information please ask in the office.

Road Safety Campaign

The Air Cadets has launched a major road safety campaign competition to warn its cadets and volunteers to be careful when travelling and you could bag a prize if you win the poster competition launched by Commandant Air Cadets, Air Commodore Ian Stewart.

Air Commodore Stewart said:

"Every year we hear of accidents in the news and we want to make sure our cadets and volunteers are safe when travelling to their various activities. I urge you to participate in this poster competition as the winning artwork will be distributed to help get the road safety message across. Good luck to all participants."

Prize

The winner will be presented with a mounted and framed artist's original of his/her work.

The winning entry will be reproduced by a professional artist and printed in poster format in the Air Cadet magazine (with the winner's name and sqn). The winner will also receive an Air Cadets 'goody bag.'

All entries must be submitted in 'hard copy, or electronically', on or before 1st December 2009. Further information available on request.
